COMMENT: Nicholas Maxwell was an amazing teacher. He definitely cared for the well being and the academics of his students.

COMMENT: Dr. McLeese was one of the best professors I¿ve had! She made the class enjoyable with fun ways of learning the material. She really pushed the importance of the course and the topics we learned.

COMMENT: I needed more understandable or "dumbed down" examples within the powerpoint lectures and more demonstrations. Overall good teacher.

COMMENT: good teacher

COMMENT: if there is any way to not have the whole course under mindtap that would be helpful with understanding the questions.
